Dear Ms Stone,

Thank you for your letter of 25 May to the Secretary of State about the Department for Work and Pensions' security cameras. Government Ministers receive a large volume of correspondence and they are unable to reply personally on every occasion. I have been asked to respond.

During the next three years, the Department is undertaking a capital investment programme to update and upgrade its physical security systems. The Department will not be using any security camera equipment manufactured in China as part of this programme.

I hope this reply explains the position.

Yours sincerely

Mark Wagstaff  
Deputy Principal Private Secretary
